4. That prior to the County of Will having title to the above-mentioned property and the sewage treatment plant, Utilities Unlimited, Inc. had an interest by easement to run, operate, build, maintain, and construct a sewage treatment plant for the benefit of the Calumet Gardens Subdivision, Crete, Will County, Illinois. (Exhibit B)

5. That as of June 1, 1992, Utilities Unlimited Inc., became involuntarily dissolved by the Illinois Secretary of State. (Exhibit C)

6. Charles Petreikis Sr. continued to operate the sewage treatment plant, although not in compliance with mandatory regulations placed upon the sewage treatment operation, as an individual until a court order evicted him from the site in March of 1999.

7. After a diligent and thorough investigation regarding the title of the sewage treatment plant, manholes, mains, laterals, and all equipment used to function, operate, and maintain the sewage treatment plant, the County of Will is the sole owner of all equipment and easements for the sewage treatment plant as of the date of the tax deed. (Exhibit D)

8. Although Charles Petreikis has not owned the sewage treatment plant, nor has any legal standing to operate this facility, he has continued to trespass onto the easements of the County of Will and “work” on laterals and mains without the permission of the County of Will or its agents.

9. At this present time, the County of Will is currently constructing new lines, laterals, and mains for sewage treatment for the residents in Calumet Gardens, Crete, Will County, Illinois, and will be demolishing the existing structure upon completion of the new system.

10. Additionally, Charles Petreikis Sr. is still submitting bills to the residents of the Calumet Gardens for services of sewage treatment without permission of the County of Will and

without any vested interest into the sewage treatment facility supplying services to these residents.

11. Charles Petreikis Sr. is fraudulently billing the residents of Calumet Gardens for services he is not rendering.

12. Charles Petreikis Sr. should be ordered to no longer be allowed to collect any fees, monies, or funds for services he no longer provides.

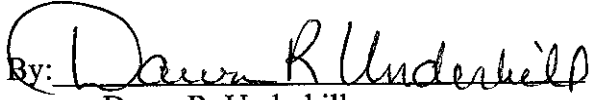

13. Further, Charles Petreikis Sr. has a certificate of public necessity in the name of a non-existing corporation for the services of providing a sewage treatment plant, and since he no longer has any title or vested interest in any part of the sewage treatment plant, this certificate should be revoked immediately.

14. That the County of Will prays for the granting of this petition and states that it will not unduly delay or prejudice the adjudication or rights of the original parties.

WHEREFORE, the COUNTY OF WILL, requests the Illinois Commerce Commission to grant the Petition to Intervene.

Respectfully submitted,

COUNTY OF WILL,
A Body Corporate and Politic
